ABOUT TSRS

The Shri Ram School was conceived by Padma Shri Mrs. Manju Bharat Ram and Mr. Arun Bharat Ram as an inclusive, child-centered and progressive school, respecting differences in all children as individuals. They had a vision to create holistic and sensitive individuals, able to take on the world and leave their mark wherever they go. Since its establishment in 1988, the school has been guided by the four core values - Integrity, Pursuit of Excellence, Sensitivity, and Pride in One's Own Heritage, all of which are epitomised by the students

MISSION STATEMENT

The mission of the school is to provide each student a diverse education in a safe, supportive environment that promotes sound values, self-discipline, motivation and excellence in learning.
